PureWoman™

What makes women unique is not solely a matter of anatomy and hormones. It is the complex interplay of hormones, their receptors, and dietary, lifestyle and environmental factors that converge on every organ system in a woman's body.

PureWoman™ recognizes these complex relationships and the science behind them, empowering practitioners with nutritional supplements and education to bring a new level of health and wellness to female patients at all stages of life.*

Developed in collaboration with integrative gynecologist Felice L. Gersh, M.D.,† the PureWoman™ platform offers product protocols for:

- ✓ Premenstrual and Menopausal Support*
- ✓ Breast and Ovarian Health*
- ✓ Cardiometabolic Health*
- ✓ Reproductive Support*
- ✓ Emotional Well-Being and Occasional Stress*

Felice L. Gersh, M.D.

An award-winning integrative gynecologist, Dr. Gersh has special expertise in women's hormones and the impact of environmental toxins, medications, nutrition and aging on hormone receptors and production. Dr. Gersh graduated from Princeton University and the University of Southern California School of Medicine.
